What Do You Expect From a Mortgage Company??

Established in 1984, Shore Mortgage is a full service mortgage lender licensed to do business in nearly 40 states. The company currently operates offices in the greater continental United States with locations in Michigan (corporate headquarters), Florida, Illinois and Missouri. Celebrating 25 years in 2009, the company has grown to over 350 employees and is ranked in the top 20 of USA Government Lenders.

Shore Mortgage was built on helping home buyers achieve the American Dream of Homeownership through excellent customer service and that foundation of helping others continues today. Shore Mortgage loan officers have an average of 10 years of lending experience and are well trained to handle many types of purchase or refinance transactions.

The company takes extreme pride in its diversity and in 2005, Shore Mortgage received the Fair Housing Leadership Award for Diversity in the Workplace. In 2009, Shore Mortgage developed a community outreach program entitled "We Understand". "We Understand", was Shore Mortgage's own "stimulus" program. It was awarded to homeowners who were making timely mortgage payments, but struggling. A \$100,000 commitment was made to help these "forgotten homeowners". Award recipients received a check for up to \$1000.

Today, Shore Mortgage, partnered with Lending Tree, proudly offers an array of mortgage programs including FHA/VA, Conventional, Investment, and Home Improvement.
