

FIRST TIME HOMEBUYER TAX CREDIT

EXTENDED & EXPANDED!

New Legislation

New legislation, the Worker, Homeownership and Business Assistance Act of 2009, which was signed into law on Nov. 6, 2009, extends and expands the first-time homebuyer credit allowed by previous Acts.

The new law:

- Extends deadlines for purchasing and closing on a home.
- Authorizes the credit for long-time homeowners buying a replacement principal residence.
- Raises the income limitations for homeowners claiming the credit.

Under the new law, an eligible taxpayer must buy, or enter into a binding contract to buy, a principal residence on or before April 30, 2010 and close on the home by June 30, 2010. For qualifying purchases in 2010, taxpayers have the option of claiming the credit on either their 2009 or 2010 return.

General Information:

Homebuyers who purchased a home in 2008 or 2009 may be able to take advantage of the first-time homebuyer credit. The credit:

- Applies only to homes used as a taxpayer's principal residence.
- Reduces a taxpayer's tax bill or increases his or her refund, dollar for dollar.
- Is fully refundable, meaning the credit will be paid out to eligible taxpayers, even if they owe no tax or the credit is more than the tax owed.
